

Hermosa Beach City Manager's Office City Council Meeting Updates 4.12.18

A brief summary of important City Council updates discussed during the April 10, 2018 regularly scheduled meeting is provided below.

April 10, 2018 ([Meeting Agenda](#))

Scooters in the Skate Park – City Council unanimously approved an action that would allow for the use of scooters in the skate park for a 30-day trial period. The trial period is tentatively scheduled for May 1 – May 30 with an option to extend that period if there are no issues or concerns. Following the 30-day trial period, staff will provide an update to the Parks, Recreation and Community Resources Advisory Commission at their June meeting for review. Following that meeting, the item will return to City Council for further evaluation and consideration, at which time, the City Council may consider making an amendment to the Hermosa Beach Municipal Code to permanently allow scooters in the skate park.

Upgrade of Southern California Edison (SCE) Streetlights to Light Emitting Diode (LED) Technology – City Council approved staff's recommendation to participate in SCE's on-bill financing program to upgrade 904 SCE-owned streetlights. With this implementation, the conversion of all 1,300 city streetlights to LED technology will be complete. Once this project is complete, the City will receive a one-time incentive of \$100,000 - \$150,000 from SCE in addition to the reduced utility bill costs that the City will receive. The savings from the more efficient equipment will pay for the capital costs of upgrading the streetlights. This project will result in short and long term net savings for the community.

City Council Approval for Expanding Role of the Downtown Enhancement Subcommittee – City Council unanimously approved expanding the role and scope of the Downtown Enhancement Subcommittee to include collaboration with local stakeholders in identifying opportunities to increase daytime patronage and economic vitality throughout the downtown area.

Schedule Interview for Parks, Recreation and Community Resources Advisory Commission Vacancy – Council scheduled interviews for 7 Commission applicants to fill a vacancy ending June 30, 2019 on the Parks, Recreation and Community Resources Advisory Commission. The interviews will be held beginning at 5:00pm on Tuesday, April 24th with the appointment to be made later that evening at the regular meeting of the City Council.

Other Matters/Tentative Agenda – To close out the meeting, Council directed staff to bring back agenda items at a future City Council meeting on the following topics:

- Update on the AT&T cell tower proposal and Radio-frequency analysis
- Next steps for citywide signage and branding

**THE NEXT REGULARLY SCHEDULED CITY COUNCIL MEETING IS TUESDAY, APRIL 24, 2018
A BUDGET STUDY SESSION IS SCHEDULED FOR WEDNESDAY, APRIL 25, 2018 AT 7:00PM**
